TELECOMMUNICATIONS SERVICES IN )	TC06-034
SOUTH DAKOTA )	

On May 1, 2006, the Public Utilities Commission (Commission), in accordance with SDCL 49-31-3 and ARSD 20:10:24:02, received an application for a certificate of authority from Nationwide Long Distance Services, Inc. (Nationwide). A proposed tariff was filed by Nationwide. The Commission has classified long distance service as fully competitive.

On May 4, 2006, the Commission electronically transmitted notice of the filing and the intervention deadline of May 19, 2006, to interested individuals and entities. No petitions to intervene or comments were filed and at its June 13, 2006, meeting, the Commission considered Nationwide's request for a certificate of authority. Commission Staff recommended granting a certificate of authority, subject to the condition that Nationwide not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. Commission Staff further recommended a waiver of ARSD 20:10:24:02(8).

The Commission finds that it has jurisdiction over this matter pursuant to SDCL Chapter 49-31, specifically 49-31-3 and ARSD 20:10:24:02 and 20:10:24:03. The Commission finds that Nationwide has met the legal requirements established for the granting of a certificate of authority. Nationwide, in accordance with SDCL 49-31-3, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. Further, the Commission finds that there is good cause to waive ARSD 20:10:24:02(8). The Commission approves Nationwide's application for a certificate of authority, subject to the condition that Nationwide not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. As the Commission's final decision in this matter, it is therefore

ORDERED, that Nationwide's application for a certificate of authority to provide interexchange telecommunications services is hereby granted, subject to the condition that Nationwide not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. It is

FURTHER ORDERED, that the Commission waives ARSD 20:10:24:02(8). It is

FURTHER ORDERED, that Nationwide shall file informational copies of tariff changes with the Commission as the changes occur.
